MEMORANDUM FOR THE RECORD

SUBJECT: Juri RAUS
Erik HEINE

1. From mid 1964 to the present these two individuals have been the subject of considerable paper due to the current suit which HEINE is bringing against RAUS. We have attempted to file all papers in duplicate in both of these files. However, the sheer bulk of the memoranda and other court material is now defeating this effort and we will therefore be filing certain material in RAUS' file and other material in HEINE's file according to subject. Therefore in any future study of this case it will be necessary to consult both of these files.

2. The following are certain of the papers which will be filed in single copies only:

RAUS' file:

Interrogatories served on RAUS by HEINE's lawyers, other court papers pertaining to the case.

HEINE's file:

Extensive testimony given by HEINE in February 1964 in Washington, D.C. in the interrogation hearing conducted by RAUS' lawyers, copies of investigative reports on HEINE, etc.
